CONSTRUCTION CONTRACTOR'S QUALIFICATION
STATEMENT FOR ENGINEERED CONSTRUCTION**

**Major Engineered Construction Projects Completed by this Organization in the
Past Five Years**

This document was developed through a collaborative effort of entities representing a wide cross-section of the construction industry. The organizations endorsing this document believe it represents a fair and reasonable consensus among the collaborating parties of allocation of risk and responsibilities in an effort to appropriately balance the critical interests and concerns of all project participants.

These endorsing organizations recognize and understand that users of this document must review and adapt this document to meet their particular needs, the specific requirements of the project, and applicable laws. Users are encouraged to consult legal, insurance and surety advisors before modifying or completing this document. Further information on this document and the perspectives of endorsing organizations is available in the ConsensusDOCS Guidebook.

Project No. _____
Name, Location and Description of Project
