

AGC Partner Program

How to Become a Partner

Becoming an AGC Partner is easy!

Step One

Review the partner level prices and benefits and decide which level (double diamond, diamond, platinum, gold, or silver) works best with your marketing budget.

Step Two

Based on the partner level you have chosen, review the 2017 schedule of events and choose the specific sponsorships you would like for each event.

Please note: if you would like to commit only to the partner level and not any specific sponsorships at this point, you may do so. Please keep in mind that once sponsorship opportunities are announced they will fill up quickly.

Step Three

Complete the partner agreement and return to AGC before February 28. After February 28 you will not be able to be an AGC Partner (with all its advantages) until the following year.

Step Four

After your signed agreement is received, a confirmation letter will be mailed to you, outlining each event you have committed to sponsor. You have the option to pay either the full amount or as each sponsorship occurs. Any unallocated dollars committed in the partner program will be billed at the end of the year.
