AGC Partner Program

What is the Partner Program?

The Partner Program is a sponsorship program that offers you additional benefits throughout the year according to your sponsorship commitment. This brochure outlines all that is available for 2017.

Why Partner with AGC?

Every year, the Oregon-Columbia Chapter offers high quality, focused events and professional development opportunities within the construction industry, which offer you the following benefits:

- The opportunity to reach over 800 member companies across Oregon and SW Washington
- The position to gain and grow brand recognition by reinforcing your company's positive standing in the minds of construction executives
- The ability to maximize your marketing efforts with customizable partnership packages based on your goals so you receive the most return on your investment

AGC Partner Program

How to Become a Partner

Becoming an AGC Partner is easy!

Step One

Review the partner level prices and benefits and decide which level (double diamond, diamond, platinum, gold, or silver) works best with your marketing budget.

Step Two

Based on the partner level you have chosen, review the 2017 schedule of events and choose the specific sponsorships you would like for each event.

Please note: if you would like to commit only to the partner level and not any specific sponsorships at this point, you may do so. Please keep in mind that once sponsorship opportunities are announced they will fill up quickly.

Step Three

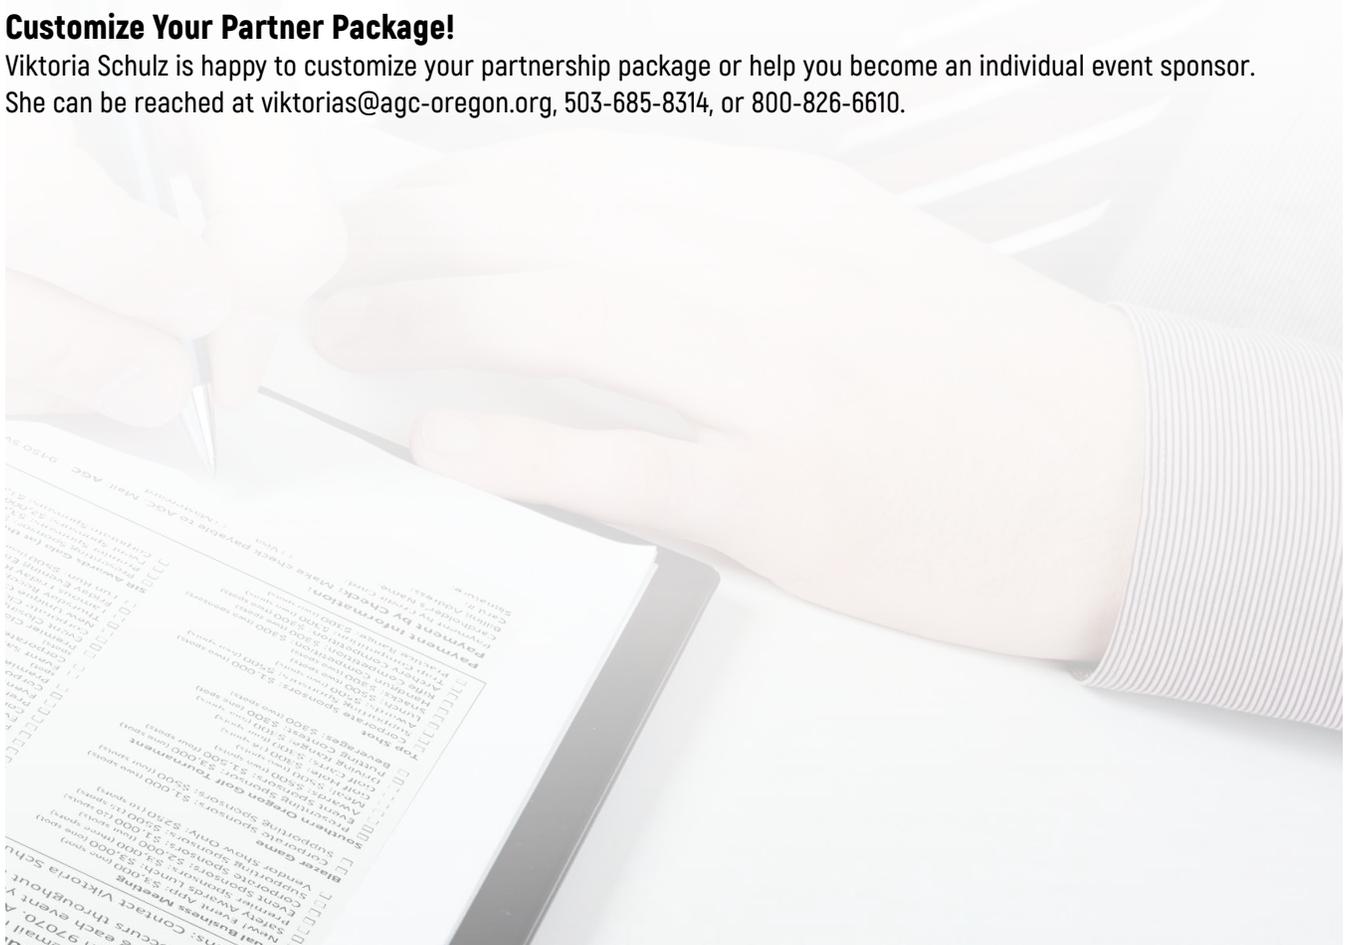

Complete the partner agreement and return to AGC before February 28. After February 28 you will not be able to be an AGC Partner (with all its advantages) until the following year.

Step Four

After your signed agreement is received, a confirmation letter will be mailed to you, outlining each event you have committed to sponsor. You have the option to pay either the full amount or as each sponsorship occurs. Any unallocated dollars committed in the partner program will be billed at the end of the year.

Customize Your Partner Package!

Viktoria Schulz is happy to customize your partnership package or help you become an individual event sponsor. She can be reached at viktorias@agc-oregon.org, 503-685-8314, or 800-826-6610.
