

# Workers' Compensation Program Review Committee Charter

---

## Purpose

This committee monitors and analyzes performance metrics of the chapter's workers' compensation program, in conjunction with representatives with SAIF Corporation and the program contract consultant. Committee members review proposed budgets, plan factors, and select design components to ensure a competitive program offering for members, and provide feedback on marketing and communication strategies to promote participation and growth in the group program.

## Committee Leadership

The committee is directed by a chair. Any member of the committee can volunteer for the position of chair, but he/she must be approved by the committee. The chair serves in the position as long as they are willing and able.
