

SAFETY & HEALTH COUNCIL

LEGAL & ETHICAL CONSIDERATIONS FOR EHS PROFESSIONALS

Join us for networking and information sharing, with special guest:

ADELE ABRAMS

Adele L. Abrams, P.C.

Environmental health and safety professionals often have their fingerprints on critical documents sought by OSHA or EPA after serious events occur. Adele Abrams will review the baseline requirements for ethical performance of EHS duties, and outline key areas where legal issues can arise, while offering proactive solutions to help mitigate exposure.

Visit www.agc-oregon.org to register. For questions and information about registration, contact Nick Naramore: 503-789-6992 or nickn@agc-oregon.org.

WHEN

Tuesday, March 19

5-7 pm

WHERE

Lucky Labrador Beer Hall
