

# Regional Respectful Workplace Models Review Committee

## Purpose

---

Evaluate the emerging respectful workplace models to have a robust set of recommendations which will be shared regionally in support of increasing the retention of skilled, diverse workers.

## Objectives

---

- **Focus on solutions to create lasting culture change**
- **Develop recommendations for the region**
- **Communicate recommendations to industry stakeholders and public owners**
- **Mobilize regional industry partners to adopt models on their jobsites**
- **Establish a community of practice for continued learning and implementation**
