

Central Oregon Area Council Charter

Purpose

The Central Oregon Area Council is a network of contractors and industry associates in Crook, Deschutes, and Jefferson counties. The council was formed to better connect the region's contractors with the benefits of AGC membership and to create opportunities for interaction among the area's members.

Committee Leadership

The chair serves as long as they are willing and is replaced with suggestions from the outgoing chair and AGC staff.

Committee Leadership Chair: Gary North, R & H Construction, Inc. Vice Chair: Lauren Farmen, Knife River	Staff Liaison Kari Schoonover, Executive Assistant karis@agc-oregon.org 503-685-8318
Meeting Frequency 2-3 times a year	How to Get Involved Open to all chapter members

Objectives

- Sponsor activities and meetings to enhance member participation and promote the benefits of membership to prospective member companies
- Conduct regular meetings focusing on topics of local interest:
 - Quarterly meetings focusing on workforce, safety and legislative efforts
 - Group activity or networking event
 - Provide a forum for local members to connect with AGC leadership and staff and other contractors in their region
