

# Safety and Health Council Charter

## Purpose:

The overall goal of the Safety and Health Council is to promote safety in the workplace through educational opportunities, construction safety information, OSHA/OR-OSHA/DOSH/MSHA and other regulatory and legislative direction, and support of safety awards programs and recognition for the Oregon-Columbia Chapter members.

## Council Leadership:

The chair of the council serves for one year. The Steering Committee elects a vice chair when the current vice chair moves into the chair position. The chair of the Safety & Health Council is expected to attend Safety & Health Council functions throughout the year. This position holds a board position as council director on the Chapter board of directors and is expected to attend those meeting held throughout the year. The council will have dedicated AGC staff liaison, director liaison, and administrative support. The officer liaison is appointed by the board of directors.

<p><b>Meeting Frequency</b> – Quarterly</p> <p><b>Events Frequency</b> – As determined</p>	<p><b>How to Get Involved</b></p> <p>Open to all chapter members with an interest in safety issues</p>

## Objectives

- Provide a forum for relevant discussions on safety and health topics affecting members
- Provide educational opportunities in safety and health to the Oregon-Columbia Chapter utilizing partners and outside resources
- Increase safety and health awareness in the chapter
- Identify and respond to industry safety and health issues—internally and externally
- Provide opportunities for dialog between the Safety and Health Council and government agencies, i.e.: Oregon OSHA, Mining Safety and Health Administration, OSHA, etc.
- Disseminate information and encourage participation in AGC award and recognition programs (PRIDE, ROSE, CSEA)
- Inform membership of safety and health legislative issues impacting the construction industry each year—what we are doing and how they can help or get involved
