GRANT APPLICATION – Over \$5,000

Project Description (1,000 words or less):

Objectives and Measures (List goals of the project and metrics you will use to evaluate progress):

Strong applications will have performance measures that demonstrate quantity, quality, and impact. Quantity metrics answer the question of how many/how much. Quality metrics answer the question of how well the project was implemented. Impact metrics tell what difference was made and who is better off because of the project.

Objective	Measure	Type of Metric: Quantity, Quality or Impact?

GRANT APPLICATION – Over \$5,000

Proposed Timeline for Project Implementation:

Sustainability -- How will your organization ensure the sustainability of the proposed project beyond AGC funding?
