

AGC Safety and Health Council 2024 Charter

Purpose:

The overall goal of the Safety and Health Council is to promote safety in the workplace through educational opportunities, construction safety information, OSHA/Oregon OSHA/MSHA/DOSH and other regulatory and legislative direction, and support of safety awards programs and recognition for the Oregon-Columbia Chapter members and affiliate organizations.

Council Leadership:

Council leadership consists of a chair and vice chair. The chair of the council serves for one year. The chair elects a vice chair with approval of the Steering Committee when the current vice chair moves into the chair position. The chair of the Safety and Health Council is expected to lead council functions throughout the year. This position holds a board position as council director on the chapter board of directors and is expected to attend board meetings throughout the year. The council has a dedicated AGC staff liaison and director liaison. The officer liaison is appointed by the board of directors.

Council Leadership Chair Joaquin Diaz, Skanska USA Building Vice Chair Royal Willard, J E Dunn Construction Company Officer Liaison Brandon Flint, INLINE Commercial Construction, Inc.	AGC Director Liaison Alden Strealy, aldens@agc-oregon.org AGC Staff Liaison Brent Babcock, brentb@agc-oregon.org
Steering Committee Meeting Frequency: Quarterly Events Frequency: As determined	How to Get Involved Open to all chapter members with an interest in safety issues

Objectives

- Provide a forum for relevant discussions on safety and health topics affecting members.
- Provide educational opportunities in safety and health to the Oregon-Columbia Chapter utilizing partners and outside resources.
- Increase safety and health awareness in the chapter.
- Identify and respond to industry safety and health issues—internally and externally.
- Provide opportunities for dialog between the Safety and Health Council and government agencies, i.e.: Occupational Safety and Health Administration (OSHA), Oregon OSHA, Mining Safety and Health Administration (MSHA), Division of Occupational Safety and Health (DOSH), etc.
- Disseminate information and encourage participation in AGC award and recognition programs, including Program Recognition indicating Dedication and Excellence (PRIDE), Recognition of Safety Excellence (ROSE), and Construction Safety Excellence Award (CSEA).
- Inform membership of safety and health legislative issues impacting the construction industry each year—what we are doing and how they can help or get involved.
