2024 GRANT APPLICATION

Project Description (1,000 words or less):

Objectives and Measures (List goals of the project and metrics you will use to evaluate progress):

Strong applications will have performance measures that demonstrate quantity, quality, and impact. Quantity metrics answer the question of how many/how much. Quality metrics answer the question of how well the project was implemented. Impact metrics tell what difference was made and who is better off because of the project.

Objective	Measure	Type of Metric: Quantity, Quality or Impact?

2024 GRANT APPLICATION

Proposed Timeline for Project Implementation:

Sustainability –- How will your organization ensure the sustainability of the proposed project beyond AGC funding?

2024 GRANT APPLICATION

Budget/Financials (a separate attachment may be submitted):

A complete budget listing all expenses associated with the project is requested. Please itemize the expenditures and include match funding. Please note if match funding is in-kind or cash.

After reviewing the initial grant application proposal, additional information may be requested by the AGC Workforce & Professional Development Committee.
