

# Construction Leadership Council Charter

## Purpose

The Construction Leadership Council (CLC) began with the vision of becoming the driving force in developing tomorrow's future construction leaders.

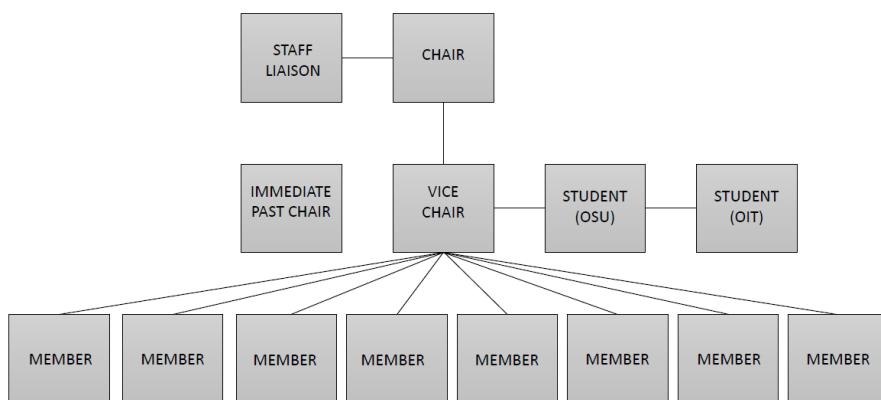

In keeping with the group's mission, CLC participants are provided with the following opportunities:

- Develop and enhance your leadership skills
- Build relationships
- Learn more about and increase involvement in AGC
- Stay current on industry trends and best practices
- Make an impact in the community
- Share ideas about the way to handle day-to-day business issues

## Council Leadership

The CLC is guided by a Steering Committee that consists of a chair, vice chair, immediate past chair, and 10 members, two of whom are AGC Student Chapter representatives. The chair of the Steering Committee serves a one-year term. The current chair and Steering Committee elect a vice chair before the opening of the application period. Members of the Steering Committee may serve a maximum of three consecutive years. The chair of the Steering Committee sits on the Board of Directors (BOD) and is expected to attend those meetings to provide council updates and liaise with the CLC and the BOD.

AGC Oregon-Columbia Chapter Construction Leadership Council Steering Committee Organizational Chart

<b>Committee Leadership Chair:</b> Kristin Clark, JE Dunn Construction Co.	<b>Staff Liaison</b> Amber Klingner, Workforce & Professional Development manager, <a href="mailto:amberk@agc-oregon.org">amberk@agc-oregon.org</a> or 503-680-4313
